foreword . . .

i...

hold the future
in my hands...
my country's fate
is my commission;
whether it prospers...
my decision.
my mind shall create
each new design,
each plan,
each scheme,
each thought of peace;
with each passing year
my tasks increase.
i represent
those of my age...
an age of space,
atomic power;
i'm eager to build
each coming hour.
i do hold the future
in my hands...
i've a greater job
than ever before;
but with God's help
i'll accomplish more.

to these two instructors

Tradition demands that the 1960 Sturgensian be dedicated to a deserving faculty member. We gladly comply yet we dare to break tradition for it is our intention to honor not one but two outstanding men who have been both friend and teacher.

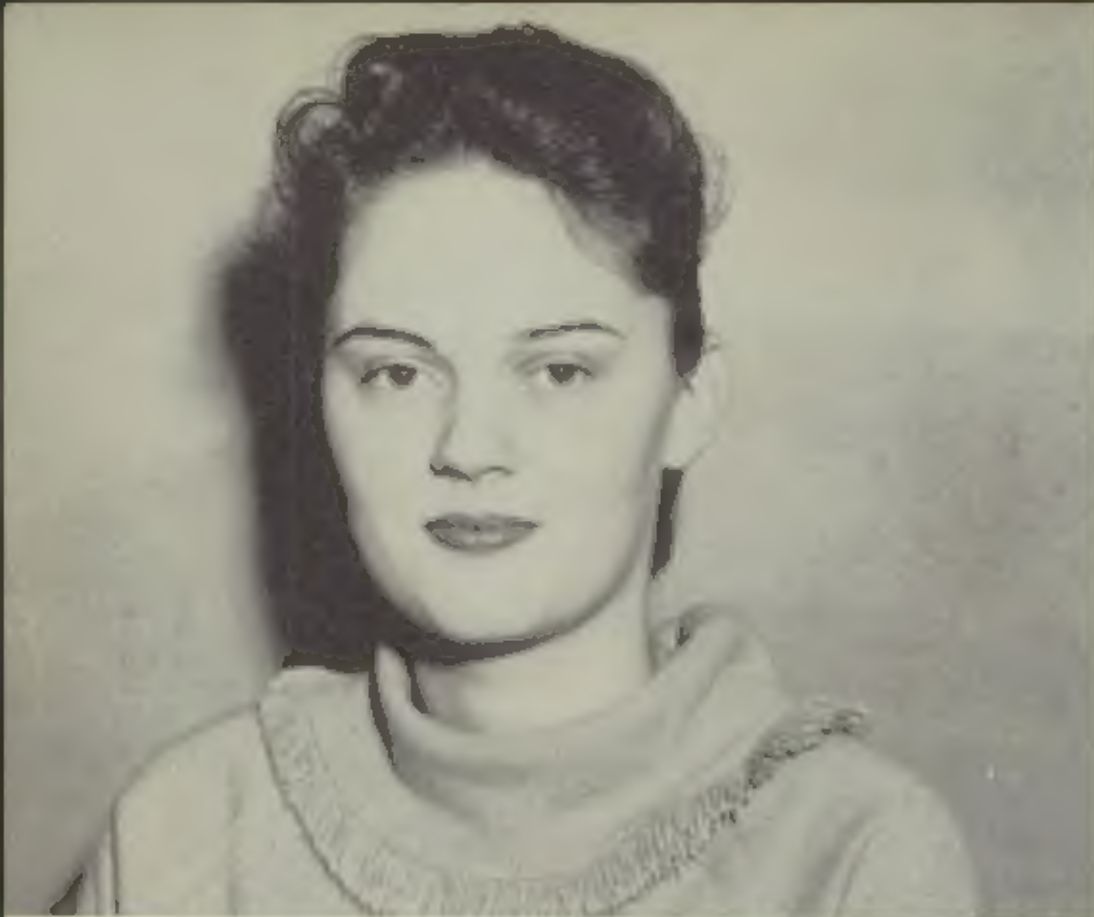

For patience if we forgot our lines in the class plays, for a word of encouragement in our forensic effort, for firm and understanding counsel about our speech problems, and for a sincere interest in even the least of us—for these and many more reasons we thank you, Mr. Hugh Tyler.

we dedicate the 1960 sturgensian . . .

Because of your never-to-be-forgotten United States History classes, because of your ready sense of humor, because of your willingness to advise and befriend us, because of your many efforts to make our Junior year a success in spite of the refreshment stand, the Junior Prom, and our reckless Junior attitudes—because of your good will toward us we salute you, Mr. William Galberach.

The Class of 1960 proudly presents to you, Mr. Tyler, and to you, Mr. Galberach, our Sturgensian.

The 1960 Sturgensian Staff proudly presents an entirely new concept in yearbooks for Sturgis High School. Members of the art staff put in many long hours until they came up with the final design and color combination. Under the watchful eye of our advisor, Miss Whitelock, work began early in the year, with the picture editor and her staff supervising underclassmen pictures. Our staff photographer Mr. Roy Niles, assisted by Mr. Dick Donovan, was busy all year taking pictures of the students and their activities, while the literary staff was responsible for copy which had to be assigned, written, checked, typed and sent to the printer. Meanwhile, our advertising staff was occupied with the job of selling space to local merchants to help finance the book.

As the pages were completed, checked and double checked, they were sent to the publisher, and the staff, breathing a sigh of relief, sat back to await the unveiling on class day. The secret of color and design was carefully guarded to insure surprise. When it was finally revealed, the whole staff was proud and happy. Everyone who worked so hard to make this book a success hopes that it will be one of the most enjoyable for everyone. We hope it brings back to the seniors and all other students, the happy times they have had here at S.H.S.

administration

Heading our Administration is Superintendent Warren J. Fudge, now completing his third year. He directs the public schools in Sturges, working with the Board of Education. Assisting him in his office are Mrs. John Quirin, Miss Barbara Lutz and Mrs. Herbert Magnus who handle class accounts, mail, payrolls, the bookkeeping and business of the Board of Education.

Our principal, Mr. Robert Miller, is now in his eleventh year in that capacity. Working with him is his secretary, Mrs. Freeland. They can always be found making out absence or tardy slips, helping students with extracurricular activities or advising them on their class schedule. During the summer they are occupied with the task of preparing next year's schedule.

The class of 1960 would like to express sincere thanks to the Administration for all the help and guidance they have given us.

Our last year at St. George's High has been one of many fulfilled experiences. Our first undertaking was Homecoming followed by a well-received Senior Picnic. We organized a Senior Pep Club which was so successful that it is being passed on to the next class. Throughout the year we sponsored several record hops to help pay for long awaited decorations.

junior class

Following tradition, the Junior Class raised money by selling food at the concession stand during football season. A new stand was donated by the school to the Juniors this year. During basketball season they also sold refreshments to the fans. Selling football and basketball schedule pencils was another source of making money. In the spring, the class presented the annual Junior Play, and later the Junior Prom in honor of the Seniors.

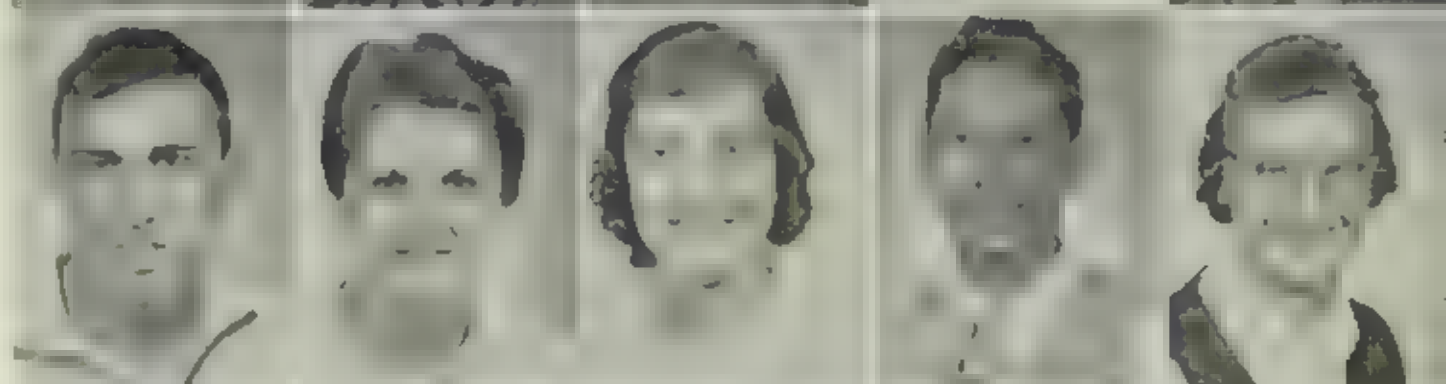

None of this could have been possible without the guidance of the Junior Class advisors: Mr. William Goberach, chairman; Mrs. Robert Boyle, Mr. Elmer Craig, Mr. Wendell Moyer, Mrs. June Cleveland, and Miss Elizabeth Whitelock.

Also taking a large part of the work were the class officers: President, Ted Lindman; Vice-President, Mike Darby; Secretary, Linda Elliott; Treasurer, Bob Frost; Student Council, Linda Wyer and Denny McCarthy.

The Sturgis High School Netters turned in their most successful season of Tennis since Sturgis had a tennis team, having a record of 12 wins and no defeats.

The personal records will be given according to the position played on the team. They are as follows: Jim Howard, the No. 1 singles, had a very good record of 11 wins and 1 loss. Jim should be given a lot of credit for winning over Louis LaScala of St. A. 6-3 6-1. LaScala is considered one of the top tennis players in the Kalamazoo area.

Bob Forrest played the No. 2 singles and also came out with a 11 record. Bob turned in one of his best performances in the last game with Lakeview when he downed one of the previously unbeaten Spartans with a score of 6-0, 6-4.

No. 3 singles was held by Allen Kelly who won 10 and lost 2 which is also a very good record. Allen is a Sophomore and will see two more good years of tennis.

Ron Magnus, the only senior, was at No. 4 singles. Ron was the only unbeaten Trojan in the regular year with 12 wins and no defeats. In the Twin Valley Tournaments Ron played doubles with Bob Forrest and were runner up. They won the State Regionals but were defeated in the first round of the State Finals. Ron was a senior and the only Netter to leave.

In the No. 1 doubles position were Dennis McCarthy and Steve Brumbaugh. They won 9 and lost 3 for another very good record.

No. 2 doubles were held down by Harvey Jannotta and Larry Patrick. They also had a very good record of 9 wins and 3 losses. In the one win over Howe, Harvey played single match as his team mate had a touch of sickness.

No. 3 doubles were Tom Werner and Dave Heard, the only Freshmen. They had a very good season with 10 wins and 2 defeats. Considering they were Freshmen that is a good record.

In the Twin Valley meet at Albion we finished second to East Lansing with 10 1/4 points as compared to East Lansing's 12 points. East Lansing has a very fine team, and next year we hope to have an even finer team.

junior play

The Night of January 16th," a comedy-drama by Ayn Rand, was presented by the Junior Class of 1959, April 17th and 18th. The action takes place in the Superior Court of New York City, and the time is the present. The story concerns a famous New York murder trial in which Karen Andre is accused of pushing her multi-millionaire employer, Born Faulkner, off the roof of his penthouse apartment where a new witness appears, claiming that Faulkner was on his way to South America while his death was faked with a hoodlum's corpse. This play was unusual in that the jury was picked from the audience yet the verdict was a surprise to everyone including the cast. The suspect was found "not guilty" by the jury both nights.

Mr. Tyler, director

November 20 was opening night for the Class of '60's senior play, "Everyman Today," a modern morality play written by Walter Sorell, was selected and presented by the Seniors.

It is the story of Everyman and his summons to judgment by death. Both Conscience, representing good, and the Devil, representing evil, claim the soul of Everyman. In a dream he sees manifestations of himself in other men of the world. In a trial scene Conscience and the Devil battle for possession of his soul.

Conscience triumphs and Everyman is left to continue his life on earth. Everyman and all the characters in the play are symbolic of all men at any time.

The play was a difficult undertaking since there was no scenery, a minimum of costuming; and it was written in a free verse style. The production was a credit to Mr. Tyler, the director. The Senior class thanks everyone who helped to make the play a success.

Drum Major: Vernon VanWhy

Director:

Teamwork was the key to the 9th Grade Marching Band's first eight members showed their skill and dedication during when they marched at the home game and three away games. An outstanding example was their effort in the March Square Dance which drew applause from young and old alike.

The band participated in both the Junior High Marching and Western Marching Band Days. A rating of first was awarded them at Portage in the Junior Marching Contest. Members of the band also marched in the Memorial Day Parade, Halloween Parade and moved at the Centerville Fair.

Much credit for our band's fine record is due to Mr. J. B. Little, Director and his conscientious squad of officers: Roger Howard, head manager, Dave Brier, equipment manager, and Juan McHuron, head librarian assisted by Barbara Fry and Eugene Foster. Vernon VanWhy did an excellent job as drum major.

These same hard working band members opened their concert band season at the Christmas Concert with the combined choruses. In January, thirty-six students entered the State Solo and Ensemble Contest, a yearly event conducted at Klamath Falls. The entire band took part in the District Band and Orchestra Festival in February. Later they performed at the Spring Concert which has become an annual event due to popular approval. An exceptional fine performance at the highly anticipated Band Bust closed their activities for the year.

By the way, the Science Club is open to all students who are interested in science. The club meets every Friday afternoon in the Science Room.

science club

The newly formed Science Club was started by Mr. Meyer, chemistry and physics teacher. Any junior or senior or interested in science is welcome to join. The aim of the club are to increase our knowledge of science give service in the community and nation and understand the importance of science in our lives.

The project for the first year was to compile a directory of all the people in Sturges and the surrounding area who have a special interest either professionally or as a hobby. Those people who are willing to speak to the club as a whole or with individuals are listed under their interest.

Recently the club took a field trip to Kalamazoo and attended a lecture at the planetarium followed by a tour of the Kalamazoo Campus.

Balmy spring air and "Cherry Blossom Time" opened the way into the magic of an oriental garden. Chiffon butterflies flitted among the thousands of pink cherry blossoms, while giant lotus floated upon a tiny stream twining beneath a white bridge.

The music of Bud Doty's orchestra enchanted the dancers in the exotic garden awaiting the moment when Bob Forrest, Junior Class President, placed a crown of flowers upon the Queen of

the 1959 Junior Prom, Judy was presented with an engraved compact and red tea roses. Her court, Sharon Dougan, Mary Finlay, Pat Moulton, Judy Mustone, Sandy Potter, and Carol Theismann reigned with her from a dais of flowers and cherry blossoms.

Throughout the evening, the dancers wandered through a majestic pagoda to be served 'fortune' cookies and punch.

homecoming

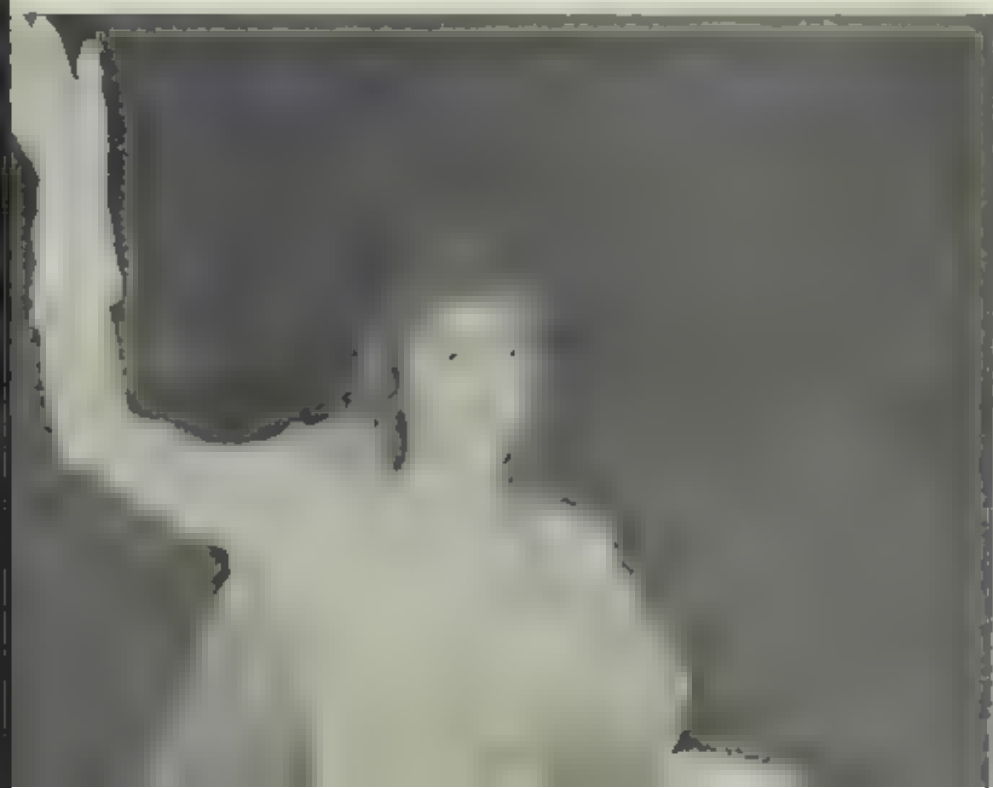

On November 6, Terry McCarthy, Senior Class President, crowned Judy Mustone Homecoming Queen of 1959 in the Seventh annual Homecoming ceremonies. Dave Locey, vice-president of the class, presented Judy with a bouquet of roses. The queen and the members of her court were chosen by the Senior Class and Varsity Club. Serving on the court were: Mary Finlay, Judy Porst, Sandy Potter, and Carol Theismann. Judy and the court who were brought onto the field on

three convertibles reigned over the game and the dance following it.

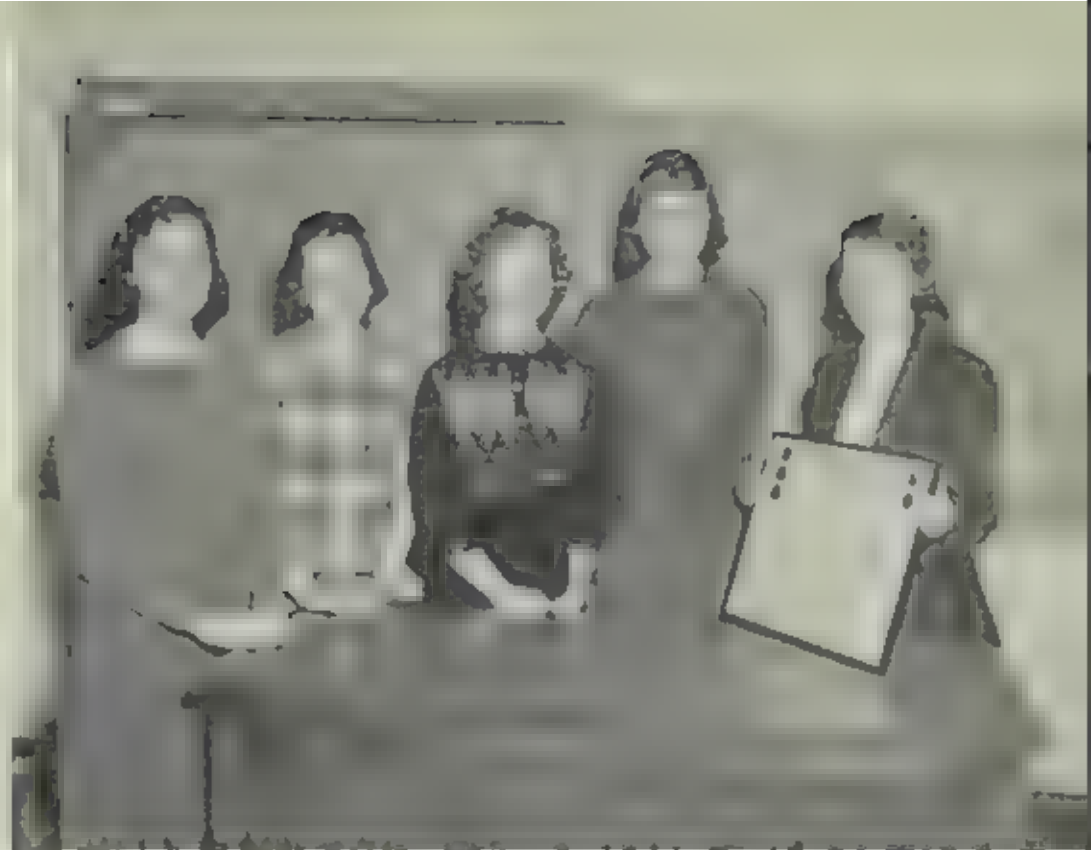

Although the Albion Wildcats went home with the victory, the unfortunate outcome did not dampen the evening's plans. After the game the festivities were transferred to the auditorium ballroom where Bud Doty and his orchestra furnished music for the occasion. The theme

Stairway to the Stars was carried out in the decoration at the dance.

f.t.a.

Students interested in teaching as a possible future career, join FTA to learn about the profession. The monthly meetings consisted of a movie about the education of a teacher and guest speakers from the various teaching fields. Nine members and their new advisor, Mr. Moyer, attended the Area Conference of FTA at Western Michigan University. They were also guests of Sturgis Education Association and of Delta Kappa Gamma Sorority. At Christmas, the club donated gifts to Sturgis' school for handicapped children. In April, two members attended the FTA camp, and the year's activities concluded with a picnic.

The officers were: President, Cynthia Addison; Vice-President, Janice Besser; Secretary, Martha Foster; Treasurer, Sharon Monroe; and Librarian, Martha Arney. Mrs. Mildred Britton and Mr. Wendell Moyer acted as advisors.

le cercle français

Each of the three French Classes chose two representatives from which the officers for Le Cercle Français were elected. Because of an unbreakable tie, Richard Fisher and Dennis Durnell acted as co-presidents. The other officers were: Vice President, Dixie Wagner; Secretary, Marilyn Hovda; Treasurer, Judy Porst; and committee chairmen, Linda Hetzler and Martha Arney. Mr. Virginia Arh served as a juror.

It was decided at the beginning of the year to have four large meetings instead of the usual monthly ones. At the fall and winter meetings, guests told of their experiences in France and the members played French games and sang French songs. For the spring meeting, the French Class gave a dinner picked from a complete French menu for the French I students. A combination picnic and treasure hunt was held at one of the members' home to close the year.

library club

The Library Club, under the capable leadership of Mrs. Mable, n Polleys, was composed of members who worked in the library during the year. Each person worked five hours a week for which he received a half credit. Their duties included checking out books, keeping the card file up to date, taking care of magazines, keeping the shelves clean, and helping students find reference material.

The officers of the club were: President, Jim Harter; Secretary-Treasurer, Rosanne Krause; and Social Chairman, Armetia Garden.

pep club

The Pep Club new at S.H.S. this year was organized by a group of senior students. The membership grew to 75 and they elected the following officers: President, Ron Allen, Secretary, Sally Perot, Treasurer, Bob Thompson and Social Chairman, Sally R. Ka. Mr. Martin, the Senior class sponsor acted as advisor.

The object of the club was to promote the pep and spirit of the student body and no one can deny that both were accomplished. They sponsored several rallies before games and encouraged the students to cheer their favorite teams. During the year, the members joined in with St. Paul's Senior Pep Club which they were at the games.

They held several parties after football and basketball games and on Saturday nights. In March, the club sponsored a reunion for the entire student body. Their future plans include a party this summer, in which the club will be turned over to the upcoming Senior class.

Mr. Craig, advisor

art club

A newly formed group, the Art Club was advised by the art teacher, Mr. Elmer Craig. Desiring to avoid the usual formalities of a club, the founders elected no officers but instead appointed a Steering Committee. Judy Main, Torsten Mahke, and Diane Upham, who constituted this committee were in charge of planning field trips, keeping the group informed, and taking care of routine business. Meetings were scheduled for the second and fourth Tuesdays of each month. No prerequisite such as taking art was necessary for admittance, only a sincere interest in art.

The club, which will expand in future years, aims to promote fuller appreciation of art in the case of both its members and of the public.

Varsity Debate Team Left to right: Rick Howard, Roger Howard, David Lori, Steve Pinner, Mr. Hugh Taylor.

Directors: Mrs. Strawbridge and Mr. Tyler.

debate

The Debate Team, the first in over ten years, completed a very successful season with 5 wins and 3 losses for second place in the South Twin Valley League. The affirmative team won 3 and lost 1, while the negative side split 2 and 2. In the district tournament, the affirmative team lost in the semi-finals to Jackson State winners for the past two years. The question debated was: Resolved: The Federal Government should substantially increase its regulation of gun ownership.

The debate team was composed of four senior boys: Rick, Roger, David and Steve. Mr. Hugh Taylor advised the group. Mrs. Strawbridge and Mr. Tyler were the directors of the local forensics contest.

radio

The class of 1960 would like to express their appreciation to Mr. Raymond Smith for giving us all the publicity needed in the success of our activities. The Sturgeon Public Schools program broadcast daily over the local radio station, reminded the public of plays, dances, band and sport events, and other important happenings coming to S.H.S. Playbacks of games, interviews with coaches, students and faculty also made up the program. Thank you, Mr. Smith, for the fine work you have done!

***YOUR CREDIT RECORD**

Today, over 97 percent of all consumer goods sold in the United States are purchased on credit. Therefore, it is essential to maintain a good credit record to enjoy the necessities of life that suit your budget. The following five rules are used in order to maintain a good credit record:

1. Make all payments when promised, or sooner.
2. If heavily involved, find out about a pro-rate pool program from a CREDIT BUREAU, or obtain a loan to consolidate and clear all debts.
3. If you must miss a payment, let your creditor know why.
4. Always notify all creditors when you move.
5. Never ignore a disputed claim. Talk it over and see if an adjustment can't be made.
